Baldor Specialty Foods Inc. has a strong commitment to the achievement of food safety and customer satisfaction. Thomson International, Inc. has issued a voluntary recall of their red, white, yellow and sweet onions. The recall was initiated, due to Salmonella cases across several states which have been linked to a supplier based in Bakersfield. Thomson International, Inc. has notified the FDA that it will be recalling all varieties of onions that could have come in contact with potentially contaminated red onions, due to the risk of cross-contamination.

Baldor is instructing all of our customers that purchased the below items **between July 16th 2020 to July 20th 2020 from Baldor, do not use the product and please return any unused product in original box and label from Thomson International, Inc. or Baldor Fresh Cuts, LLC for a full credit.** A full credit will only be issued for returned product if you received the items listed below.
